

Garwood Inquirer

Issue 9 April 2017 Page 1

Dear Parents,

The school year is coming to an end. Everyone is busy with sports and planning summer vacations. Remember we still have two months of school left. Please stress the importance of attending school each and every day to your child. My teachers are going to teach until the last day of school and I expect the students to continue to learn. Spring is also when our students will be attending field trips. Talk to your child and tell them the importance of behaving and paying attention while they are attending the various trips. Garwood has always been complimented for our students' good behavior and manners. I know you will continue to encourage our students to be the best they can be.

Leroy Stavinoha Jr.
Principal
